Sir:

This is a response to the Notice of Non-Compliant Amendment mailed September 11, 2007. The Notice states that the amendment document filed on September 7, 2007 was considered non-compliant because claim amendments failed to meet the requirements of 37 CFR 1.121. Specifically, newly added claims 45-47 were unnecessarily underlined. A correct listing of claims appears on page 2 of this paper.
